The K & S Compact Cable Reel

A fast and convenient device for managing triaxial cable.

Features from K&S:

- Rugged construction - Lexan & PVC.
- Teflon bearing washers.
- Feed rollers provide smooth operation.
- Compact flat design fits in brief case or instrument case. Can be attached "piggyback" to your electrometer with a strap.
- Unique configuration allows left or right-hand loading of cable.
- Four models: two for white low-noise triaxial cable and two for gray low-noise Suhner triaxial cable.
- Reel may be purchased preloaded with new cable or empty for use with your existing cable - cable loading operation is easy and quick.
- Clip for Farmer type chamber is available.
